

Charlotte Forever—and Now!

Continue to join the Charlotte Community Foundation (CCF) in honoring Hasan Hammami and following his example! Every dollar into the new Hammami Family Endowed Fund is matched by an anonymous donor—for half into endowment (Charlotte Forever) and half for current grantmaking across our county (Charlotte Now)!

Dr. Shelley Strickland (CCF CEO), Hasan Hammami, and Jill McCrory (CCF Board Chair)

Hasan Hammami, 20 years after joining the Board of CCF, has invested in the only foundation dedicated to Charlotte County through a permanent fund to benefit in perpetuity the community where he has lived longer than anywhere else.

"Charlotte Forever" Funds, such as the Hammami Family Endowed Fund, are permanent, unrestricted endowments that are pooled together to support grantmaking in all sectors across Charlotte County—now and in the future!

Contact us if you want to open your own named endowment, starting at just \$5,000!
